

OI-LIN® SUPREME EMULSION

This is a four in one cream: it hydrates, brightens, smoothes, and rejuvenates at the same time.

Oi-Lin® Supreme Emulsion contains alpha hydroxy acids (AHAs) to help speed the skin's natural cycle of renewal and rejuvenation by exfoliating surface cells that dull the complexion. It is designed to give the appearance of decreasing fine lines and wrinkles with intense moisturization.

This exclusive formulation contains concentrated herbal extracts, natural antioxidants, and emollients to hydrate the skin.

FACT SHEET

Oi-Lin® Supreme Emulsion

<p><i>What is the primary function of Oi-Lin® Supreme Emulsion?</i></p>	<p>To nourish, brighten, smooth, and rejuvenate the skin's appearance.</p>
<p><i>How should Oi-Lin® Supreme Emulsion be used?</i></p>	<p>Apply to a clean face and throat after skin care regimen. It is suggested that it be used with sunscreen.</p>
<p><i>Are there any skin types that should avoid using this particular product?</i></p>	<p>Some people are sensitive to Glycolic/Lactic Acid, but a gradual increase in quantity or frequency of use may reduce the sensitivity.</p> <p><i>Sunburn Alert:</i> This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterwards.</p>
<p><i>What unique ingredients does it contain and what is their function?</i></p>	<p>Glycolic Acid Helps speed the skin's natural cycle of renewal.</p> <p>Kojic Acid, Oryzanol, Aspergillus Ferment, and Licorice Extract To help brighten the skin's appearance.</p> <p>Panax Ginseng, Carthamus Tinctorius, and Chrysanthemum Indicum Extracts Botanical extracts to nourish and energize the skin.</p> <p>Krameria Triandra Root Extract An antioxidant.</p> <p>Arginine, Sodium Hyaluronate, Ceratonia Siliqua Gum, Ahnfeltia Concinna Extract, and Sodium Carboxymethyl Beta-Glucan To smooth and refine the skin's appearance.</p>

**OI-LIN®
REBUILD
CREAM**

Formulated to transform damaged or problem skin without harming surface skin cells, this cream contains plant-derived alpha hydroxy acids (AHAs). These AHAs help speed the skin's natural cycle of renewal and rejuvenation by exfoliating surface cells that dull the complexion.

Oi-Lin® Rebuild Cream also contains intense concentrations of herbal extracts, essential oils, and antioxidants, all of which work in harmony with the skin to help achieve a healthy, natural look by decreasing the appearance of fine lines and wrinkles.

OI-LIN® REPLENISH GEL

Oi-Lin® Replenish Gel is designed to hydrate the delicate eye and mouth areas that are especially prone to wrinkling. It also is ideal for other areas of the face that require gentle yet intense hydration.

This anhydrous gel helps moisturize and smooth the skin. The antioxidants in this advanced, rich formulation help combat the effects of free radicals, which cause fine lines and wrinkles in skin. Owner expertise produces an exclusive formula that seals in moisture in wrinkle-prone areas and provides a gentle emollient effect without a greasy feel.

Wake up with the softest skin imaginable by applying a thin layer to your face at night as an intensive moisturizing mask.

OI-LIN® NIGHT EMULSION

When we rest, it's actually true that we are getting our "beauty sleep." That's because the body is constantly going through a cycle of renewal, and much of the rejuvenating work is accomplished during sleep. Oi-Lin® Night Emulsion is an age-defying formula that jump-starts the body's natural processes.

Oi-Lin® Night Emulsion provides maximum hydration for the skin from an exclusive combination of essential oils, vitamin E, and herbal extracts. It works in synergy with the skin's natural restorative powers and is highly concentrated for exceptional results.
