IBO Testimonials

"I practice and teach yoga for several hours a day. I like to use Electrosport® during and after my practice because it reduces fatigue and keeps my energy level up. It also helps me recover from my workouts quickly."

Bryan Legere, USA

"When I go to the gym or go out with my family, I always bring my Shaker Bottle filled with Electrosport®. I strongly recommend this beverage to people who like active sports such as golf, tennis, swimming, and so on. It quickly helps to rehydrate the body after exercise with important minerals. It is also a wonderful business tool with which to share the Sunrider opportunity. When people see me drinking it, they want to know about it, and I tell them about Sunrider."
